

10d Use somebody

**I've been roaming around
I always looking down at all I see
Painted faces
fill the places I can't reach
You know I could use somebody
You know I could use somebody**

**Someone like you,
And all you know and how you speak
Countless lovers
Undercover of the street
You know I could use somebody
You know I could use somebody**

**Someone like you oooh oooh ooooooh
Someone like you oooh oooh ooooooh**

**Off the night while you live it
up I'm off to sleep
Waging wars to shake the
Poet and the beat
I hope it's gonna make you notice
I hope it's gonna make you notice**

**Someone like me oooh oooh ooooooh
Someone like me oooh oooh ooooooh**

**I'm ready, I'm ready, I'm ready, now
I'm ready, I'm ready, I'm ready, now**

**Wooh oooh ooooooh
Someone like you oooh ooooooh**

**I've been roaming around and I was looking
down at all I see**
